With my signature I give my consent that the above mentioned child/above mentioned teenager uses the facilities of the bike park Serfaus-Fiss-Ladis. I am aware that downhill bike-riding is an accident-prone sport and that injuries may occur even when using the most sensible safety equipment. The organiser's liability shall be excluded for any damages incurred while using the facilities at the bike park. I have taken note of the bike park's binding conditions of use (RULES) and explained them to the above mentioned child/teenager.
